CAMPUS LIFE

Living in Fellowship

Each year, students from the seminary step forward to serve as DEACONS in our community. These students feel called to a ministry of hospitality and care giving in our midst. There is a deacon (or pair of deacons) for each dormitory floor and each apartment building. In addition to providing hospitality the deacons can also provide a wealth of information about living in the community. If there is something you want to know and you don’t find the answers here in this book your deacon would be a good resource. They are also great people to be in contact with if you have an idea of ways to build fellowship in your building or the community at large.

The Student Life Office, Aramark, and student organizations provide many campus-wide FELLOWSHIP OPPORTUNITIES during orientation and throughout the year which have included a Christmas party in December, Asian Market Night, brown bag lunches with professors and special guests, the Southern Society/BGLASS BBQ in April, and “Prom.” Keep your eyes and ears open for posters and announcements about these and other great events throughout the year.

Many STUDENT ORGANIZATIONS will have a table set up during the campus-wide picnic at the start of the school year; make sure to check them out! For a current list of groups and contact information, contact the Office of Student Life in Templeton Hall (catherine.ahmand@ptsem.edu; 609.497.7880). Student organizations will occasionally post information about campus happenings on facebook via the Student Government Association (SGA) page.

Seminary students and spouses are invited and encouraged to attend all CONCERTS, SEMINARS, and SPEAKER SERIES on campus. Learn more about these events by visiting calendar.ptsem.edu or follow the Princeton Seminary page on FACEBOOK! Residents of Roberts/Tennent and CRW/Witherspoon are also encouraged to join the PTS FAMILIES group on facebook!

Worship and Spiritual Formation

All members of the Seminary community are invited to DAILY WORSHIP SERVICES in Miller Chapel (Monday-Friday at 11:30 AM) and special services throughout the year. Daily services are led by students, faculty and administrators. The CHAPEL CHOIR will contribute to music leadership in chapel once each week and all members of the PTS community are invited to participate; vocal placements are held the week of Orientation. For more information contact Director of Music Martin Tel (martin.tel@ptsem.edu). More information about worship and spiritual life at PTS can be found at www.ptsem.edu/student_life/chapel.

Everyone in the Seminary community is likely to CHURCH shop at some time while here in Princeton. There are many to choose from in the area and sometimes it’s hard to find the one where you and your family feel called to worship. Ask neighbors for advice on where to start. Students can also
view church statistics through the Field Education site search (view Field Education under the Academics tab at www.ptsem.edu).

There are always many small groups throughout the community that are open to new members. Some are Bible studies and others are book discussion groups or dinner swaps. Keep your eyes and ears open at the start of the school year, and be willing to start your own group by announcing your interest through word of mouth, or by putting up posters in the community!

You are invited to take advantage of individual and group SPIRITUAL DIRECTION and RETREATS. For more information on these opportunities, visit the CHAPEL AND COUNSELING OFFICE in Scheide Hall or call 609.497.7890. Details about spiritual direction and a retreat center guide can be found at www.ptsem.edu/studentcounseling. A LABYRINTH is set up in the Gambrell Room a handful of dates each semester and is a great resource when in need of a peaceful prayer walk (dates will be announced on the chapel and counseling websites).

### Counseling and Crisis

ON-CAMPUS COUNSELING is open to spouses and couples. A student may use their 10 subsidized sessions at Trinity Counseling Service (609.924.0060) for individual or marital counseling. Those on the Student Health Benefit Plan (SHBP) have excellent counseling coverage. To access on-campus counseling or consult with the Director of Student Counseling about options or a referral, fill out intake forms in Scheide Hall or online on the counseling website. See the Counseling Brochure and SHBP brochure for details. Adjusting to a new community can be tough—a little professional help can go a long way and there is no stigma at PTS for going to talk with someone.

The counseling website (www.ptsem.edu/studentcounseling) will announce events and seminars throughout the year and is a good resource for mental health concerns and self-assessment tools. A LENDING LIBRARY of books and CDs has been developed to support personal growth and relationship health – check out the list of resources [here](#). The lending library also includes two LIGHT BOX STRENGTH DESK LAMPS that can be borrowed for two-week intervals and can help you cope with symptoms of SAD or seasonal depression. See the staff in Scheide Hall. To help minimize symptoms of SAD you can also purchase HAPPY BULBS from the Counseling Office.

If facing a PSYCHOLOGICAL CRISIS during business hours, call or visit the Counseling Office in Scheide Hall (609.497.7844), or seek help in the emergency room if there is a medical aspect to the crisis.

After hours, call the PTS Psychological Crisis Line (Main Campus and Roberts/Tennent: 609.273.9727; CRW: 609.273.9726) and Security will contact an administrator on the Seminary’s Psychological Response Team. If you cannot get through, dial 609.497.7777, tell dispatch “this is a code red” and give your name, location and phone number.  

*Additional Emergency Numbers on page 40*
Housing, Facilities, Security, O My!

For housing information and assistance, call THE OFFICE OF HOUSING AND AUXILIARY SERVICES (2nd Floor, Templeton Hall; 609.497.7730). Be courteous, patient, and persistent, if necessary. If you encounter problems with internet or cable television within your apartment, visit the EDUCATIONAL MEDIA AND INFORMATION TECHNOLOGY website for FAQ (technology.ptsem.edu).

If you notice any leaks in your apartment/dorm or you have issues with bugs or your heater isn’t working, call FACILITIES (609.497.7778). They usually respond promptly. Also, they appreciate being told about issues right away so they can fix any problem before it escalates. If you have a plumbing, heating or electrical emergency over the weekend, call SECURITY (609.497.7777).

Apartment Living

If you happen to be LOCKED OUT of your apartment, don’t panic. Call Security and they will come meet you at your apartment to let you in! Though we do live in a safe environment, with Security patrolling the parking lots, we are not exempt from theft. Make sure to lock your car door while it’s sitting in the parking lot.

If you will be away for an entire summer, consider SUBLETTING your apartment to another student or family. If interested in subletting or renting an apartment on campus for the summer, contact the Housing Office.

The CRW apartments are notorious for their COMMUNITY BBQS, especially during the summer months. If you see someone starting up a grill, head on out with your own meats or veggies and a side dish to share, and you will almost always be welcomed at the table with open arms.

HOLIDAYS

Unfortunately our lease agreements state that strings of lights are not allowed on the porches, however, if you would like to put lights on your porch during the CHRISTMAS season you can purchase solar-powered lights from Target and from online retailers. They aren’t super bright and certainly don’t last all night but many say it’s better than no Christmas lights at all!

And consider taking a drive to see Christmas light displays in the community! (Shadybrook Farms: www.shadybrookfarm.com; Cranbury, NJ: www.cranburychristmaslights.com; Longwood Gardens, PA: www.longwoodgardens.org)

The CRW community usually organizes an annual EASTER egg hunt. All young children are invited to participate. Trick-or-Treating on HALLOWEEN is also a friendly event for children in CRW.
GUESTS

If you plan to have company and they need a place to stay, ask friends and neighbors who you know will be away if your guests can apartment sit for them; it ensures that their apartment will be watched and it saves your family and friends some money. In addition to house-sitting and affordable AREA HOTELS (i.e. Clarion Palmer Inn: http://www.clarionpalmer.com; Hyatt Place: princeton.place.hyatt.com; Residence Inn Princeton: www.marriott.com) guests can also reserve rooms on campus at the ERDMAN CENTER (609.688.7990), but space is limited, so don’t wait until the last minute.

Living on a Dime

Finances may be tight for many of us in the community living on a student budget. Here are some popular tips for saving a few pennies in Princeton...

• Take advantage of the free Museum passes offered by the local libraries.
• Participate in book swaps at the libraries or the annual book sale at PTS.
• Browse the community bulletin boards in Labyrinth Books, Sketch Yogurt, Whole Foods, the public libraries and other venues.
• Use the bulletin boards within apartments and dorms to share your services such as photography, graphic design, Mary Kay cosmetics, babysitting, tutoring, etc. And help support one another in the community by using each other’s services!
• Join the Princeton group at FREECYCLE.org (groups.yahoo.com/group/Freecycle_Princeton) to give away unwanted items lying around the house, and to pick up essentials like bikes, couches, bookshelves and more. And don’t forget about Craigslist.org!
• If you’re moving or just trying to clean house, consider donating items to the Vietnam Vets. This is the organization that stocks the Red White and Blue thrift store in Hamilton. They will conveniently come by your apartment/dorm for a pick-up. Schedule online at www.scheduleapickup.com
• Take advantage of good, inexpensive produce at the local farmers’ markets.
• Don’t be ashamed to visit a food pantry, including the one at the CN Center in CRW.
• Use energy efficient lights in your apartment. Usually at the beginning of every school year ECOS (Environmentally Conscious Organization of Seminarians) sponsors a light-bulb swap and you can exchange traditional bulbs for energy-efficient.
• Ride the shuttle between campus and CRW, or ride a bike.
• Save money on parking when going downtown by parking on campus and walking.
• Consider NJ Family Care for children’s health insurance.
• During tax season, contact the Financial Aid Office to schedule an appointment with a CPA and get help completing your tax return. Or take advantage of the Mercer County VITA grants and schedule free tax preparation at the local libraries (www.earnedincometaxcredit.org).

• Check out the local discount retailers and dollar stores: HomeGoods, Dollar Tree, and FiveBelow on Nassau Park Boulevard; TJMaxx and Ross in the Mercer Mall; Marshalls in the Windsor Green Shopping Center.

• Visit the outlet malls in Jackson, NJ only 30-40 minutes east of Princeton.

• Shop at local thrift stores and rummage sales.

For other money-saving advice look for ‘FREE’ and ‘TIP’ scattered throughout this publication.

Once each semester, the CRW community holds a PTS-wide CLOTHING EXCHANGE at the CN center. You can donate any clothing that is still in good condition, and you are invited to bring home something “new” for yourself (even if you didn’t donate!).

In the Spring, you are invited to drop off used books at the Whiteley Gymnasium. The books are collected, sorted and sold at the Seminary’s annual BOOK SALE. Proceeds from this sale fund seminary libraries around the world.

CRW and ROBERTS/TENNANT YARD SALES occur one weekend at the end of academic year. You may set out tables in your yard for the community at large to come shopping! It’s a great time to get rid of un-needed items, especially if you’re getting ready to move and want a lighter load, and a great opportunity to pick up furniture, books and accessories if you’re still trying to furnish your dorm or apartment.

Every fall and spring the Lawrence Elementary PTO hosts a gigantic children’s CONSIGNMENT SALE with tons of clothes, toys, baby stuff and some maternity items. Keep eyes and ears open regarding this sale and others throughout the year. There is also an annual rummage sale at TRINITY CHURCH across from the Seminary, usually in April.

TIP: DUMPSTER-DIVING at the end of the year, both at the Seminary and University, can also prove to be rewarding, but please be careful!

**Grocery Stores**

Ask any Seminarian or Spouse and they’ll tell you their favorite grocery store. The answer will most frequently be Wegmans or Shop Rite, where you’re almost guaranteed to see a familiar face walking down the aisles. Both stores have an impressive variety of products and comparable prices. If you prefer shopping for natural and organic products, try Whole Foods or Trader Joe’s both just around the corner from CRW or shop some of the family-owned natural food stores downtown.

**TIPS:** If you are earth-conscious and want to save a few pennies, most stores sell reusable shopping bags and offer incentives to use them. Also, keep in mind that most NJ grocery stores and gas stations do not have licenses to sell liquor; Wegmans and Trader Joes are exceptions. Other local liquor stores include Princeton Corkscrew in Palmer Square and Joe Canal’s in the Mercer Mall.

You cannot pay with credit card or check, so bring cash or a debit card, and quarters if you want a cart. Their Kid’s Club offers free events a couple afternoons each month, usually with a themed craft.

*TRADER JOE’S ([www.traderjoes.com](http://www.traderjoes.com); 609.897.0581) on Route 1 across from Windsor Green. Generally less expensive than Whole Foods, but the selection isn’t always as expansive. Fresh produce offerings are limited. Does have a wine/liquor license.

Child Care

Child care is available to Seminary families at the DUPREE CENTER FOR CHILDREN (609.951.9866) at the end of Emmons Drive; call for prices and openings. In addition to childcare facilities, many Seminary parents are happy to watch children during the day. Look for advertisements on the bulletin boards in your building, or announce your need/services on the PTS Families Facebook page. Consider participating in a babysitting/childcare swap with neighbors in the community. Play dates are always a nice way to get out and about, especially if you’re able to return the favor and give another parent the chance to get away for a few hours.

Though the food provided by Aramark is a lot better than some campus cafeterias you sometimes just need a break from Mackay. There are kitchens located in both Brown Hall and Alexander Hall, have a dinner party with friends! If you don’t want to take the effort to make something or you live in the apartments and just need to get away from your kitchen, check out some of these smaller chain restaurants and one-of-a-kind dining experiences that dot the Princeton area. Though this list is long, these are just a few that have been recommended... Bon appétit!

**Jersey Shore**

The Jersey Shore is a popular destination in the summer, especially on the weekends. Unless otherwise noted, most beaches do have a cover charge Memorial Day through Labor Day of around $7-8 per person. **TIP: If you go to the shore after 4:30 PM some of the beaches waive their fee!**

**New York City**

Unless you like driving in the big city, plan to use public transportation if going to Manhattan. Take the train NJTransit to New York’s PENN STATION, just south of Times Square (approx. $30 round trip from Princeton Junction, more info on page 35). Or for a cheaper trip, drive to STATEN ISLAND and take the FREE ferry (www.siferry.com) across the Upper Bay and arrive in Lower Manhattan near Battery Park and the Brooklyn Bridge. Parking at the SI Ferry is available in municipal and private lots for $5.50 - $6.00 per day, including Sundays. Take advantage of the culture in the city and check out some of the museums and zoos (see below), and if you’re traveling with children, check out the BIG PIANO in F.A.O. Schwartz on 5th Avenue!

**TIP:** Before you head into the city, look for discount tickets to many attractions online. You can purchase inexpensive monthly or annual memberships at www.NYtix.com and save a lot of money on parking, tours, museum admissions and Broadway shows! This website is also a great source for things-to-do, and you can search by category: kids, teens, free, low-cost, first-time visitor, etc.

In addition to the attractions and tips listed below, check out these recommended websites:

gonyc.about.com/od/freestuff/tp/free_attraction.htm

gonyc.about.com/od/christmasinnyc/New_York_City_Christmas_Holiday_Guide.htm
The Wildlife Conservation Society (www.wcs.org) manages five zoos and aquariums in the NYC area including CENTRAL PARK ZOO (www.centralparkzoo.com), BRONX ZOO (www.bronxzoo.com), QUEENS ZOO (www.queenszoo.com), PROSPECT PARK ZOO (www.prospectparkzoo.com) and the NEW YORK AQUARIUM (www.nyaquarium.com). All zoos feature t...s, special programs and unique exhibits throughout the year, for children and adults of all ages. TIPS: The Aquarium has pay-what-you-wish admission after 3:00 PM. Some of the travel brochures available at Penn Station include 20% admission for the Central Park Zoo, up to 6 people if you pay for each ticket separately.

CENTRAL PARK (www.centralparknyc.org) is a great place to visit, especially in the summer. FREE family and community activities, sports, theatre, music and sculptures. If you want to see the entirety of the park, plan to make a day of it!

THE NEW YORK BOTANICAL GARDEN (www.nybg.org) is located in the Bronx, just north of the Grand Central Station. Parking is available for $12/day, but the gardens are also easily accessible by public transportation. Admission to the grounds is $10 for adults, $5 for students and $2 for children. TIP: Admission to the grounds is FREE all day on Wednesdays and from 10:00 to 11:00 AM Saturdays, but this does not include special exhibits.

MUSEUM OF MODERN ART (www.moma.org) - Children under 16 always have FREE admission. Student tickets available for $12 online, with valid ID. Tickets are less when purchasing online. TIP: Plan your trip in advance and reserve tickets through the Princeton Library Museum Pass Program! (see page 23)

BROOKLYN MUSEUM (www.brooklynmuseum.org) - The museum has suggested admission prices of $12 for adult, $8 for student or senior, but you can pay less, and children under 12 are always FREE. First Saturday of each month, museum and special events are FREE 5:00 - 11:00 PM, pay only for food from the café and $5 for parking. Museum is closed Mondays and Tuesdays. TIP: Discounts available when purchasing museum and botanical garden tickets together.

Discounts for BROADWAY tickets are available at the Student Life Office. Stop by Templeton Hall to get more information. You can also purchase discount tickets online at www.nytix.com or in person the day of the event from the red NYTickets booth at Times Square, but prepare to wait in line! Other TIPS from a PTS alum and obsessed Broadway fan: A RAFFLE TICKET is usually around $25. Show up to the theatre two and a half hours before show time and your name gets thrown into a big bucket and two hours before the show they draw names. You are able to purchase up to 2 tickets, and the seats are usually the first two rows of the theater. However, only as few as 12 names may be drawn, and over 100 people enter the drawing. A STUDENT DISCOUNT TICKET is a little bit more expensive but are available as soon as the box office is open. Be warned, for popular shows, people start lining up at least an hour before the box office opens. Again, you can buy up to two tickets and when the seats are gone, they stop selling. Don't forget about the MATINEE SHOWS; they are excellent and usually a better guarantee for getting a seat. If a show starts at 8 PM, keep an eye on the watch if you are taking the train back to Princeton (the last train leaves around 1 AM). There are lots of great RESTAURANTS around the theater district, but if you are on a tight budget, either pack a meal or take the subway down to
Chinatown for an affordable option. Near TIMES SQUARE there are always people selling tickets for comedy shows or discount tickets for off-Broadway shows. Yes, they are legit. However, don’t buy Broadway tickets from street vendors...they may be counterfeit! The off-Broadway shows are wonderful if you are looking for something a little different than the typical big musical. The comedy shows are great, but be warned you are expected to purchase at least two drinks once inside and they are pricey!

**TIPS for MACY’S THANKSGIVING DAY PARADE:** Get there *early!* People begin gathering along the parade route at 6:30 AM, even though the parade doesn’t begin until 9:00 AM. Plan to let children sit on shoulders or they won’t see anything except the balloons. If you are short, you may want to consider a small, lightweight step-stool. No port-a-potties available, plan accordingly! Bring snacks. The parade begins near Central Park and is a nice place to watch because there is a lot of open space and it’s early in the route so participants still have energy. The busiest, most crowded part of the route is on 34th street near Macy’s and Penn Station. Remember, these large crowds are good spots to get pick-pocketed; don’t put valuables in backpacks, and keep purses under your coat, etc. If you have friends that live in the city, ask if you can spend the night to avoid the traffic Thursday morning, and sleep in a bit!

**Philadelphia**

Philly is easier to access by car than New York City, and the parking isn’t quite as expensive. About 55 minutes away - great day trip location! Discount parking coupons can be printed online for a variety of lots throughout the city; check out Philadelphia.centralparking.com for Park Your Way coupons.

All rush tickets must be paid for with cash but provide a great way to see a show! More details provided online. Students age 17-30 with valid ID can sign up online for KimmelSTIX and receive $10 tickets on select shows without waiting in line.

The WELLS FARGO CENTER (www.wellsfargocenterphilly.com) is home to the Philadelphia Flyers and Philadelphia 76ers, but is also a great venue for concerts and big events including the Women of Faith Conference and the Ringling Brothers Barnum & Bailey Circus. GETTING AROUND

Driving with Jughandles (and Other Traffic Laws)

If you can drive in New Jersey, you can drive anywhere!

If you aren’t sure how to get somewhere stay to the right; most turns are from the right-hand lane only, especially on Route 1. These crazy left-turns and u-turns from the right lane are commonly referred to as JUGHANDLES.

No two INTERSECTIONS in NJ are alike, proceed with caution.

Look carefully for “NO TURN ON RED” signs.

PEDESTRIANS have the right-of-way all the time, everywhere, but especially in downtown Princeton, unless they are stopped at a red traffic signal. Watch for pedestrian crosswalks on Nassau Street.

Do not attempt a U-TURN on Nassau Street, even if you see a great parking spot, not even late at night - you will be ticketed.

It is illegal to pump your own gas in New Jersey. There is no extra fee for the full-service treatment. However, keep in mind that gas tends to be cheaper outside of Princeton. So, if you are running errands in neighboring cities, plan to fill up your tank.

No cell phones while driving, unless hands-free.

You can be pulled over for driving too long in the left lane.

All children under 8 years of age or less than 80 lbs are required by law to have a child restraint system or use a Booster Seat in the rear of the vehicle; adult seatbelts are not permissible. Adult passengers are required to wear Seatbelts in all areas of the car.

Public Transportation and Toll Roads

The TRAIN (www.njtransit.com) is a great way to access New Brunswick and New York City or the Newark Airport (travel via the Northeast Extension). TIPS: Up to two children (ages 5-11) can ride the train for FREE with a paid adult on weekends and holidays. Children ages 5-11 are always 50% off, and kids 4 and under are FREE with a paid adult ticket at any time. Discounts to local attractions can be found on the NJ Transit website and are available with validated ticket.

Park at the Seminary’s parking garage and walk to the Dinky Station on University Place (next to WaWa) or consider having a friend drop you off at the Princeton Junction Station off Alexander Road. Parking at Princeton Junction is available for $5 per day (24 hours). Be sure to park in the numbered/non-permit lot and pay at the appropriate parking ticket box. You will get ticketed if you park in a permit lot! Parking is also available on the north side of the Station on Wallace Road (keep left on Alexander when you get to
the traffic circle). **TIP:** *Spaces are limited weekday mornings, and if you can’t find a space, 2 grumpy old men are happy to have you park in their nearby lot for $8 (on Station Drive, off Washington Road).*

The LIGHT RAIL (accessible at the Trenton NJ Transit Station) is a good way to access Camden and the Adventure Aquarium (travel via the RiverLINE).

You can also get to the Dinky Station on the weekdays by using the TIGER TRANSIT. This **FREE** shuttle service travels from CRW/Witherspoon (stop is located at the corner of Emmons and Loetscher) to the Seminary’s main campus, making stops at the Dinky Station as well as various locations downtown during the academic year. The trip from CRW to main campus takes 15-20 minutes so plan accordingly. This shuttle system is owned and operated by the University; visit [www.princeton.edu/transportation/tigertransit.html](http://www.princeton.edu/transportation/tigertransit.html) for a complete route and schedule.

Traveling on most freeways in NJ will require paying a toll (NJ Turnpike, Garden State Parkway, Atlantic City Expressway). EZ PASS for Toll Roads can be pre-paid or registered online ([www.ezpassnj.com](http://www.ezpassnj.com)).

The nearest GREYHOUND station is located in Mt. Laurel, NJ just off I-295 (no tolls!) or the NJ Turnpike. The nearest AMTRAK station is located in Trenton on Bunn Drive, just off Route 1.

**Car Maintenance**

MARK’S TRACKSIDE AUTO ([www.markstracksideautocenter.com](http://www.markstracksideautocenter.com); 609.799.0605) is on Alexander Road, just before the traffic circle. Friendly, honest and trustworthy. Will refer you elsewhere if they think someone else can do it cheaper, however their prices are fairly comparable to other automotive services in the area. They also have a **FREE** shuttle service that will transport you to places such as CRW or the train station or the mall if you need to leave your car; will even pick you up when your car is ready. Open 7:30 AM - 7:00 PM weekdays; closed on the weekends.

MIDAS ([www.midasphiladelphia.com](http://www.midasphiladelphia.com); 609.896.1515) is on Route 1 South in Lawrenceville, just past Red Lobster. Forthright and honest and the prices are always reasonable. Call in advance to schedule appointments for oil changes and other maintenance and the wait won’t be long. Appointments not available on weekends. **TIP:** *Look for coupons in the mail or online.*

LARINI’S SERVICE CENTER ([www.larinis.com](http://www.larinis.com); 609.924.8553) is conveniently located between CRW and main campus, on Alexander Road at the corner of Faculty Road.

TIGER GARAGE ([tigergarage.mechanicnet.com](http://tigergarage.mechanicnet.com); 609.924.0609) is on Witherspoon Street just outside downtown Princeton near Conte’s Pizzeria. Small shop with great service; and you may not even be charged for some services even if you should! **TIP:** *You can download a 10% off coupon from the website.*

B&E SERVICE ([www.bneservice.com](http://www.bneservice.com); 609.586.5400) on Klockner Road in Trenton/Hamilton. Friendly, trustworthy, and good prices. They are in the same location as BETTY BUBBLES, a 24-hour do-it-yourself car wash service - don’t forget to bring your quarters!

PEP BOYS ([www.pepboys.com](http://www.pepboys.com); 609.520.0031) on Route 1 South is conveniently located near CRW, with their driveway on Emmons Drive, but they are occasionally overpriced and their service station is not always highly recommended. **TIP:** *Download coupons from their website.*
STS TIRE (www.ststire.com/locations/lb/lawrenceville; 609-882-8555) is on Route 1 South in Lawrenceville past I-295 before you reach the split for Business Route 1. Great place to go for a tire alignment; usually good and fairly priced. TIP: Download coupons from their website.

For CRW residents, the most convenient car wash is the PRINCETON TIGER WASH on Route 1 South, but you can access from Farber Road without having to face the traffic on Route 1! For around $10 you can get a basic wash, inside and out. There are $2 off discount days for ladies on Mondays and for Princeton University students on Thursdays (they’ll accept PTS ID as well).

Unfortunately you are not allowed to wash your car or change your own oil on any PTS property!

**Auto Insurance and Licenses**

Mercer County has two DMV/MVC locations:
- TRENTON (609.292.6500), Stockton and Front Street
- LAWRENCEVILLE (609.882.1772), Route 1 North, easily accessible from Quaker Bridge Road - turn right at the light just past the mall.

Visit [www.state.nj.us/mvc/Location/Mercer.htm](http://www.state.nj.us/mvc/Location/Mercer.htm) for hours and services at each location.

If establishing permanent residency in New Jersey, LICENSED DRIVERS FROM OUT OF STATE who are over 18 years of age have 60 days upon establishing residency to obtain a New Jersey driver’s license. Out-of-state drivers under 18 will need to undergo the Graduated Driver License program for teen drivers in order to get a license in this state.

In order to register for a New Jersey driver’s license you must bring with you proof of address and 6 POINTS OF IDENTIFICATION. Check online to determine point value for each piece of identification. [www.state.nj.us/mvc/pdf/Licenses/ident_ver_posterpint.pdf](http://www.state.nj.us/mvc/pdf/Licenses/ident_ver_posterpint.pdf)

Again, if establishing permanent residency in New Jersey, you must REGISTER YOUR VEHICLE in this state. Initial registration is valid for four years if vehicle is purchased new in New Jersey, otherwise it must be renewed annually.

Visit one of the above locations and provide the following:
1. The vehicle title.
2. Proof of insurance.
3. Proof of your Social Security number or exemption.
4. The vehicle's odometer reading.
5. Your current driver license.

Then, complete an application for registration and pay the required registration fee.

You will also need to have your VEHICLE INSPECTED at the MVC or with a certified mechanic before you can complete the registration process.

Once your initial registration has expired you will need to RENEW YOUR REGISTRATION annually. Fortunately, the MVC gives you several easy ways to do this and will send you a registration renewal form. The easiest way to renew, if you have a major credit card, is online. You will be asked for your Social Security number and proof of insurance. You may also renew over the phone by calling
1.877. DMV.NJ4U. Or you can just send a check in the envelope provided with your renewal notice. Of course, you can always renew in person at an MVC Agency. Bring along your renewal notice or proof of your vehicle’s registration.

NJ can have expensive AUTO INSURANCE. First speak with your old insurance rep to see if you have a legitimate claim not to switch to NJ (namely a permanent address and the intention of returning to the state after your education). If not, welcome to NJ! Free rate quotes are the way to get started. This will need to be done before going to the MVC.

Insurance and travel information available at AAA (609.419.1704), conveniently located in the Windsor Green Shopping Center, near Whole Foods and Staples.

**Passports and Social Security**

The nearest SOCIAL SECURITY OFFICE is located in Trenton on Clinton Ave (1.800.772.1213) Open Monday through Friday, 9:00 AM - 4:00 PM.
